

FIREMAN SAYS

A FIRE SAFETY GAME

Fire safety can be a scary topic for young children.
Play a familiar game with them to teach safe behaviors while having fun.

FIREMAN SAYS // “Fire alarm is ringing!”

CHILDREN // Stand up and get ready to get out safe.

FIREMAN SAYS // “Does the door feel hot?”

CHILDREN // Carefully tap the doorknob and feel under the door.

FIREMAN SAYS // “There’s smoke in the air!”

CHILDREN // Crouch on the floor under the smoke.

FIREMAN SAYS // “My pants are on fire!”

CHILDREN // Stop, drop, and roll and cover your face.

FIREMAN SAYS // “This route is blocked!”

CHILDREN // Face the other exit.

FIREMAN SAYS // “We all got out safely!”

CHILDREN // Sit down and wait.

FIREMAN SAYS // “Call for help!”

CHILDREN // Yell “help, there’s a fire!”

FIREMAN SAYS // “It’s safe to go back in.”

CHILDREN // Stand up. It’s safe to head back inside.

THIS GAME IS ON FIRE !!!
